RENOLIT EXOFOL PFX Nutmeg Oak.

The Super-Matt  
exterior film.

## Honey Oak – Summer appeal.

RENOLIT EXOFOL PFX Honey Oak Super-Matt is all about warmth and sophistication. Light and dark areas alternate to create an energised appearance. Its deep, flowing oak structure combines with the smooth feel of the PVDF surface to make Honey Oak the perfect partner for high-quality country style properties.

## Nutmeg Oak – Naturally stylish.

The emphatically unpretentious RENOLIT EXOFOL PFX Nutmeg Oak Super-Matt decor harmonises with a variety of different colours. Its discreet grey undertone softens the appearance of the linear grain, while the occasional knots add subtle accents. The striking ochre tone makes the fresh oak decor the perfect partner for modern architecture.
